*Roast Rider's "Boujee" bento boxes are balanced meals made from scratch and designed to support an active, on-the-go lifestyle. Think of them for business meetings, lunch+learn events, before or after work outs, and of course breakfast, lunch or a light dinner.*

— JIM WHITE

**Boujee (boo-zhee) adjective**  
Luxurious in lifestyle, yet humble  
in character.

## HAPPY 🐝

The Roast cup is what you get from a sustainably sourced bean, brewed to perfection by skilled baristas using triple-filtrated water and optimal equipment.

Our master roasters maintain close relationships with farmers that share their passion for social responsibility and environmental sustainability. As specialty coffee trailblazers, they understand the level of care and cost incurred to produce consistent outstanding quality, and pay these farms accordingly for green coffees, often far exceeding Fair Trade pricing.

Feel really good about what you're drinking. Our dedication to excellence and commitment to farmers and producers shines throughout the entire coffee supply chain.
